

Missions:

We have made world missions an important priority. In addition to various short-term commitments, we have, for many years, supported mission work in Honduras, Brazil, Nigeria and South Africa.

We are actively involved in making preparations for and carrying out mission trips to the Navajo Reservation.

For many years we sent groups to other parts of the United States to roof houses and other buildings for those in need. The first multi-year project was to replace roofs damaged by Hurricane Katrina. More recently we have replaced roofs at the Manuelito Navajo Children's Home in Gallup, New Mexico. We have also provided roofs for *Habitat for Humanity*.

Just Christians

Can we not be just Christians? With unity as one of Jesus' most critical messages, can we not simply abandon man-made doctrines and practices and just follow the simple New Testament teaching?

Do we have to use our feelings as our guide? Do we have to do what we have done all our lives? Do we have to "go to the church that meets our needs"?

Can we not surrender what we want for what God wants?

We don't say we are better. We don't say others are not good people. We're just trying to be Christians.

We're just Christians following just the Bible. We're just sinners just forgiven.

Let's not make it too hard or too simple. Let's just do what it says.

We're just strange people trying to enter the narrow gate and walk the narrow road.

Let's do it out of love for each other and love for Jesus.

A Little About Us...

We believe that you will find us to be a warm and friendly congregation of God's people who really care about others. We are followers of Christ, our resurrected Lord.

As Christians, we are committed to following the Bible as our only source of religious authority and seek to restore New Testament Christianity in the twenty-first century. Our mission is *"To seek and save the lost"* (Luke 19:10).

How We Serve...

Worship:

Our worship services are simple and biblical. Our primary objective is to honor God by worshiping Him as He has directed us in His Word.

Bible Classes:

We offer Bible classes for all ages each Sunday morning and Wednesday evening. We strive to instill within each student a love for God and an appreciation for His Word as our source of spiritual guidance for daily life.

College/Young Adult

We have a special Sunday morning class for college students and young adults. Join us at 9:30 a.m.

ONE Circles:

On the 2nd Sunday evening of each month, our members meet in small groups to share a meal and participate in Bible study. This encourages growth and unity within the body of Christ.

Family Ministry:

In our commitment to strengthen families we provide periodic classes and programs designed to help marriages and improve family life.

Retreats:

Our annual ladies' retreat in the winter and other activities throughout the year are great opportunities for spiritual growth and fellowship.

Youth Program:

Our youth program offers a wide variety of opportunities to encourage growth as Christians. Through participation in activities the young people are encouraged to develop their faith in ways that put to use the talents they have been given. The youth are involved with service projects, camps, retreats, devotionals and activities with youth groups in surrounding areas. We provide many opportunities to get together in Christian fellowship with each other.

Leadership Training for Christ:

Our 3rd through 12th graders participate in a year-round program that instills leadership qualities in young people. These Bible-based activities provide training for Christian service in the church. Activities culminate each year with a trip to Arkansas where an annual *Leadership Training for Christ* convention is held.

Local Outreach:

We offer free home Bible studies and correspondence courses to anyone interested in furthering their knowledge of the Bible.
